70
YEARS
OF THE NHS
1948 - 2018

To celebrate 70 years of the NHS, Heath Lane Medical Centre will be hosting a meet and greet/open day where you can meet our team and "behind the scenes staff" that you won't necessarily see on a day-to-day basis.

Our Patient Participation Group (PPG) will also be available to chat to regarding what they do, the services that the practice offer and to answer any questions that they can.
